

Calling all advocates!

It's time to get ready, organized,
activated and respond to the

need to be politically engaged!

Do you want to be a part of the Army of Advocates?

While we often boast of "110 million credit union members ready to respond" the reality is that unless we can back it up with grassroots action, our efforts ring hollow! It is for this reason that we urge you to be part of the Army of Advocates.

Let's make our voices heard at our state capitol's and in Washington, DC. Let them hear us ROAR!!
