

Festival of Trees

The Greater Oklahoma Chapter of Credit Unions Foundation invites you to our annual *Festival of Trees!*

Credit unions from across Oklahoma will come together to decorate and display festive trees, holiday wreaths and gift baskets, all of which will be auctioned off to raise money for two wonderful causes: the Cornerstone Credit Union Foundation and the Greater Oklahoma Chapter of Credit Unions Foundation.

This year's theme is **Route 66 Christmas!** Hit the road with us for a night full of vintage holiday charm, twinkling lights and nostalgic small-town cheer, mother road style.

Enjoy delicious hors d'oeuvres and drinks throughout the night as we celebrate the season together. It's sure to be a night to remember.

We'd love for you to sponsor the event or donate an auction item. Your company or organization will receive recognition throughout the evening for your generous support.

Whether you choose to sponsor, donate or simply attend, we hope you'll join us for this festive night of giving and good cheer.

Important Information

Decorating Day

Decorating days will be Wednesday, December 2nd and Thursday, December 3rd from 8:00 a.m. to 3:00 p.m. **You will be provided one 6-foot pre-lit tree** (if requested), multicolor or white, as well as a 6-foot table with designated space at the Credit Union House of Oklahoma, 631 E. Hill Street, Oklahoma City, OK 73105. Recruit as many helpers as you need.

Tree Guidelines

Trees will be mounted on a small platform with wheels with a protective cover attached. This can easily be concealed with decorations or a simple tree skirt. **All materials and ornaments must be tightly secured to your tree.** Only use materials that will withstand a vigorous move, which includes being covered during transport. You may add additional items that go along with your tree. These items can be placed under or beside your tree. Please provide boxes for these items to ensure easy transport.

Tree Lighting

The trees provided are pre-lit but can be enhanced with additional lights. Each tree sponsor will have access to a 4-plug outlet. If you decide to add additional lighting, you may need to bring a multiple outlet strip with extra plug receptacles.
